SERBA DINAMIK HOLDINGS BERHAD REGISTERS 511.51 MILLION IN REVENUE FOR ITS Q3FY16 RESULTS

KUALA LUMPUR, 06 FEBRUARY 2017 – Serba Dinamik Holdings Berhad (“Serba Dinamik Holdings” or “Company”) and its subsidiaries (“**Group**”), an energy engineering services provider to the oil and gas (“**O&G**”) and power generation industries, with operations locally and overseas, announced its financial results for the third quarter ended 30 September 2016 (“**Q3FY16**”) posting a revenue of RM511.51 million. The Company assumed its role as a holding company since 25 May 2016. Serba Dinamik Holdings Group’s performance was mainly driven by Serba Dinamik Group Berhad, where Serba Dinamik Group Berhad and its subsidiaries (“**SD Group**”), registered a revenue of RM1.42 billion, mainly attributed to the revenue contribution from the Group’s operations and maintenance (“**O&M**”) division. The SD Group registered a Profit Before Tax (“**PBT**”) of RM161.51 million, and a Profit After Tax (“**PAT**”) of RM152.45 million for the cumulative nine-month period under review (“**9MFY16**”).

Group Managing Director / Group Chief Executive Director of Serba Dinamik Holdings, Dato’ Dr. Ir. Mohd. Karim bin Abdullah (“Dato’ Karim”) expressed, “We are happy with the results for Q3FY16 and are pleased with our performance for the period under review. These encouraging results further motivate us to strive towards realising our business growth strategies and affirm our market presence in the industry.”

The Group’s O&M division remains the main contributor, contributing RM468.83 million in Q3FY16, followed by the engineering, procurement, construction and commissioning (“**EPCC**”) division, registering a revenue of RM40.28 million for the quarter under review. Other products and services, which include technical training, provision of information, communication and technology (“**ICT**”) solutions and services, supply of products and parts, and provision of logistics services generated RM2.41 million in revenue for Q3FY16. For 9MFY16, the O&M division, the EPCC division and other income contributed RM1.28 billion, RM134.12 million and RM4.63 million in revenue respectively.

Dato’ Karim added, “Despite the downturn in the O&G industry since 2014, we managed to strengthen our financial position over the period, as the services offered by our Group are essential in extending the life of the equipment and structures used in the O&G industry. The machines require more maintenance as they age, hence our services are required to extend the life cycle of the assets. With the upcoming listing on Bursa Securities, we will gain stronger positioning within the industry as
