– A total revenue of RM2.16 billion for FYE 2016, an increase by 53.6% as compared to RM1.40 billion posted for FYE 2015. Subsequently;

– PAT increased by 61.32% at RM252.57 million as compared to RM156.56 million recorded the preceding financial year.

Group Managing Director / Group Chief Executive Director of Serba Dinamik Holdings, Dato' Dr. Ir. Mohd. Abdul Karim bin Abdullah ("Dato' Karim") expressed, "We are very pleased with our performance over the year, which has been proven with the significant growth in the Group's results. Our revenue was mainly derived from foreign operations whereby our Middle East*[1] operations contributed to 51.5% of our total revenue for the period under review. Our local operations remained the largest contributing country, which saw contribution of 35.4% to our revenue, generated from our local contracts. Accordingly, it is one of our future plans upon listing to upgrade the existing logistics centre in Ras Al Khaimah, United Arab Emirates."

Serba Dinamik Holdings recently, through its wholly-owned subsidiary, Serba Dinamik Sdn. Bhd. ("SDSB") entered into a Share Purchase Agreement ("SPA") for the acquisition of 40% of the total issued share capital of Konsortium Amanie Joint Venture ("KAJV") for a total consideration of RM34.0 million. Additionally, SDSB entered into a sale of shares agreement for the acquisition of 100% equity interest in Supreme Vita Industries Sdn Bhd, which is expected to be completed by the third quarter of 2017, following the last instalment of the

balance total. Through this acquisition, the Group was granted an EPCC contract worth RM289.7 million as well as a 40% share of KAJV's profits generated from a RM 1.3 billion value contract awarded to KAJV by the state government of Terengganu on 28 April 2016.

Dato' Karim added, "We are optimistic that we can further strengthen the Group's business viability and profitability, as we believe that our recent acquisitions will be able to generate recurring income stream for the sustainability of the Group. In line with the expansion of our asset ownership business model, we currently have two ongoing MoUs for the partnership agreement of developing of small gas power plants and water utilities in East Kalimantan with the local government district development body, and the joint development and ownership of a small gas power plant in Muaro Jambi, Sumatra, Indonesia with a local government-owned power corporation. We are also looking at opportunities to grow our business through investment and acquisition, but not limited to MRO service providers and small hydropower generation companies that can potentially add value to our existing business operations while enhancing our competitive advantages within the industry."

Dato' Karim further expressed, "Collectively, we have more than 800 employees in Malaysia, Indonesia, Brunei, Bahrain and United Kingdom's operations as to date. Our established track record is supported by the achievement of numerous awards for the recognition of the Group's outstanding performance, as presented by both national and international bodies such as PETRONAS Carigali Sdn Bhd, The European, the Ministry of International Trade and Industry and The Brand Laureate. Additionally, one of our subsidiaries, Serba Dinamik IT received MSC Malaysia status in 2011 for the research, development and commercialisation of our in-house developed proprietary software, namely, AlignSoft and myPlant."
