## ► Serba Dinamik Holdings Bhd

SERBA Dinamik Holdings Bhd posted RM78.33 million in earnings for its first-quarter ended March 31 this year, or earnings per share of 6.43 sen. In an exchange filing last Friday, the engineering company listed on Feb 8 this year also raked in RM612.42 million in turnover for the quarter under review, driven largely by its operation and maintenance segment and its Middle East operations. The company further declared a 2.2 sen dividend for the year, to be paid on June 21 this year.
