apparel sales fell following the softening of US retail market.

HSS Engineers is planning to buy the equity stake in SMHB Engineering Sdn Bhd for RM270mil in a move that could see HSS focus more water infrastructure projects locally and abroad.

Meanwhile, US markets advanced to record highs on Friday led by technology companies.

European stocks also climbed following improved investor sentiment after easing of geopolitical tension in North Korea.

"Following the bearish momentum, the KLCI could remain pressured and trend downwards towards the support of 1,750 points," said.
