Serba Dinamik secures contracts with combined total value of RM830.9 million

KUALA LUMPUR: Serba Dinamik Holdings Bhd (Serba Dinamik, a global integrated engineering services provider, announced its successful securement of seven work contracts through its wholly-owned subsidiaries, Serba Dinamik Sdn Bhd (SDSB) and Serba Dinamik International Ltd (SDIL) with a combined total value of approximately RM830.9 million.

SDSB successfully secured

two new engineering, procurement, construction and commissioning (EPCC) contracts and four new operations and maintenance (O&M) contracts from Maju Renewable Energy Sdn Bhd, Maju RE (Talang) Sdn Bhd & Maju RE (Temenggor) Sdn Bhd, Green & Smart Sdn Bhd, Asean Bintulu Fertiliser Sdn Bhd, Petronas Dagangan Berhad, and Petronas Chemicals LDPE Sdn Bhd.

In a press statement, Serba Dinamik group managing director / group chief executive director Datuk Dr Ir Mohd. Abdul Karim Abdullah said, "We are appreciative of the confidence received from our new clients with the award of these contracts. With these new projects, we are sure to be kept busy, and we believe that it will further strengthen our financial performance for the current financial year."
